

Lone Star - Browns of Kentucky

Shorthorn Sale

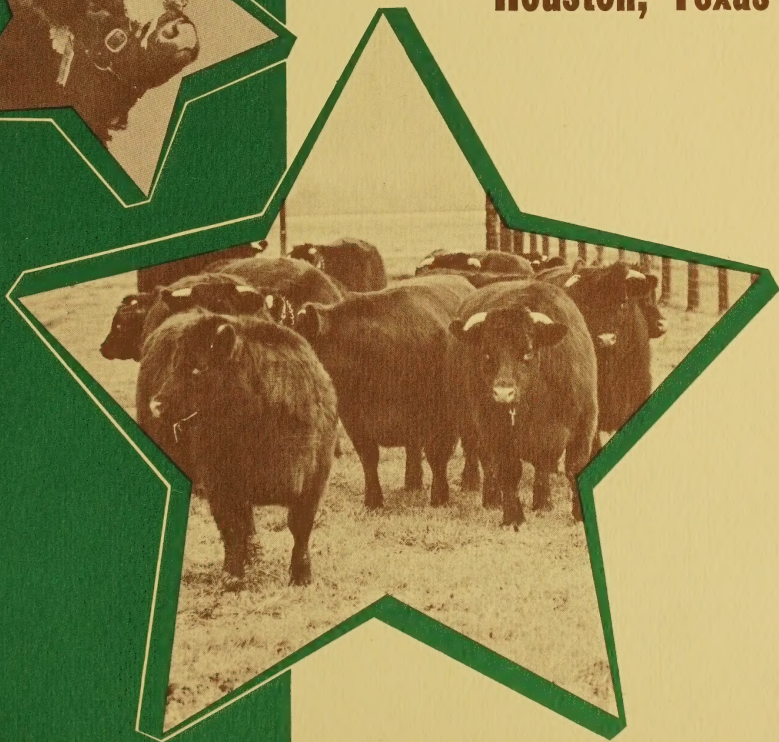

Saturday

MAY 14, 1966

at

Lone Star Ranch

Houston, Texas

Be Our Guest

Arrive early on May 13 to inspect the sale cattle and the vast Lone Star commercial operation. Then join your hosts from Lone Star and the Browns of Kentucky at 6:30 p.m. for buffet dinner at the entertainment center near Shorthorn headquarters on the banks of the Brazos River, near Richmond, Tex. On sale day an old-fashioned Texas-type Barbeque will be served to all our guests.

FRONT COVER

At the top is Bapton Daily Express, 1956 Perth Supreme Champion, in service at Lone Star. In center is Ashbourne Scepter, \$20,000 All-American senior bull calf, in service in both herds. Get and service of both bulls are a feature of this sale. Below: A group of sale females in the Lone Star consignment.

These young females selling from the Lone Star Herd have been selected from the very top of the replacements. They represent only the most important imported blood in the world and are by sires whose names are household words throughout the Shorthorn industry.

LONE STAR HERD & BROWNS OF KENTUCKY

*"The familiar names that stand for excellence
in Shorthorns"*

Annually joining forces for their premier Shorthorn sale

SATURDAY, MAY 14, 1966

At R. E. Smith's Lone Star Ranch near

HOUSTON, TEXAS

14 Bulls

41 Females

W. L. LYONS BROWN

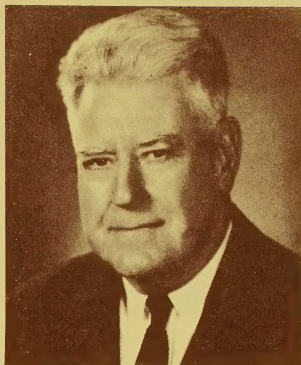

Welcome

Search the country over and you cannot find herds that have assembled their foundations more carefully. From throughout the world they sought only the best of every bloodline and then blended them carefully into a product to meet the ever-higher demands of today's highly competitive beef cattle business. Only firms that have the future improvement of the nation's commercial cattle uppermost in mind and realize the predominant place that Shorthorns can play in that future, can lead the way as Lone Star and the Browns of Kentucky are doing.

From left to right at a former Lone Star-Browns of Kentucky sale are Jim King, general manager of Ashbourne Farms; Charles Wuest, general manager of the Lone Star Ranches; R. E. Smith, owner of Lone Star; B. Sterling Ambrose of Royalty Farms, and W. L. Lyons Brown, owner of Ashbourne.

HOUSTON 2, TEXAS

March 23, 1966

Dear Friends:

We at Lone Star are anticipating May 14, 1966, with a great deal of enthusiasm because this is the date of our first production sale held at our ranch. We will again join forces with our friends in Kentucky; namely the Ashbourne and The Brown Foreman herds and the combined consignments from the three herds will constitute a sizeable offering of excellent quality Shorthorn cattle.

Our consignments represent our best quality and you can make your purchases with confidence because you have our assurance that we will stand behind them all the way.

A friendly gathering will be held at the ranch entertainment center the evening before sale day and a buffet supper will be served. Mrs. Smith joins me in inviting you to the party and we will look forward to your arrival.

On Sale day, a Texas style barbecue with all the trimmings will be served at lunch time, so, make your plans to join your friends at the Smith Ranch near Richmond, Texas on May 13th and 14th.

Sincerely,

R. E. Smith

TERMS AND CONDITIONS

LOCATION: The sale will be held at R. E. Smith's Lone Star Ranch near Richmond, Texas, on U.S. 59, about 20 miles southwest of Houston, Tex. A detailed map appears on page 75 of this catalog. The sale will begin at 12:30 p.m., Saturday, May 14. We hope you will find it possible to arrive a day earlier for a leisurely inspection of the sale cattle, stock bulls, brood cows and the commercial cattle operation.

MOTELS: The number of good hotels and motels in Houston is much too large for us to designate one as sale headquarters. Many are conveniently located along U.S. 59 in Houston about 20 miles from the ranch. We suggest that you make reservations in advance by contacting Charles Wuest, general manager, Lone Star Ranches, Richmond, Tex., or Harris Simons, sale manager, 16 So. Locust St., Aurora, Ill. Tel.: (312) 896-8511.

TELEPHONES: Call person to person to Charles Wuest at Richmond, Tex. MO 2-3491 or Houston, Tex., CA 7-7736 (Area code 713); or UNDERwood 2-1828 or CApitol 8-7166, both in Houston.

MAIL BIDS: May be sent to any of the following reliable men, each of whom will be at the sale. Last minute phone calls will reach them at the ranch telephone MO 2-3491, Houston, Tex., or Richmond, Tex., CA 7-7736.

C. D. Swaffar, executive secretary, American Shorthorn Ass'n, 8288 Hascall St., Omaha, Neb.

Harris Simons, The Shorthorn World, 16 S. Locust St., Aurora, Ill.

Allan Bostwick, The Weekly Livestock Reporter, Fort Worth, Tex.

Bill Overholt, The Drovers Journal, 1505 Genesee St., Kansas City, Mo.

Gene McDonald, The Shorthorn World, 16 S. Locust St., Aurora, Ill.

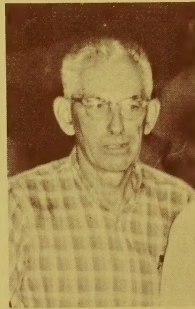

Stanley Stout, The Western Livestock Journal, Rt. 5, Box 266, Fort Worth, Tex.

AUCTIONEER: Dick Kane, Wisner, Neb.

BREEDING DATES: A printed list giving all breeding dates will be supplied on sale day, together with bull weights and semen checks.

**Pat Heinig, mgr.,
Brown-Forman**

GUARANTEE: All cattle will be sold under the Standard Guarantee endorsed by the American Shorthorn Association. Shipment will be made as soon as possible after the sale. Cattle are at owner's risk as soon as sold, but every care will be given until shipment is made. To avoid confusion, hand shipping instructions to clerk, with information as to whom the pedigree is to be transferred.

LIABILITY: The guarantee will constitute a contract between the buyer and seller of each lot. The sale manager was hired for specific purposes in connection with the promotion of the sale and is not liable for the contract. Although every precaution will be exercised to protect the safety and comfort of those attending, neither the owners of the herds selling, nor any of their representatives, nor auctioneers, clerks or sale manager, can assume any liability for accidents.

TERMS: Cash. All settlements must be made with the clerk at the conclusion of the sale.

LUNCH: Will be provided at the sale.

TRANSPORTATION: Houston is easy to reach by any mode of transportation. If notified in advance, we will be happy to meet your train or plane in Houston. Rental cars are also available.

HEALTH: Interstate health papers will be provided for all out-of-state buyers. All herds practice calfhood vaccination of females for brucellosis. Those older than 36 months will have passed a brucellosis test 30 days in advance of the sale. All cattle will have passed a tuberculosis test. In addition all herds follow the most stringent health measures and disease control programs. Health papers will conform to the laws of Texas but **buyers must make themselves aware of any deviations from Texas law that might apply to entry into their states.** The Ashbourne Farms and Brown-Forman Experimental Farms herds are federally accredited for both tuberculosis and brucellosis.

SALE MANAGER: Harris Simons, 16 S. Locust St., Aurora, Ill.

**Jay Lyons, herdsman,
Lone Star**

**Henry Lee, herdsman,
Brown-Forman**

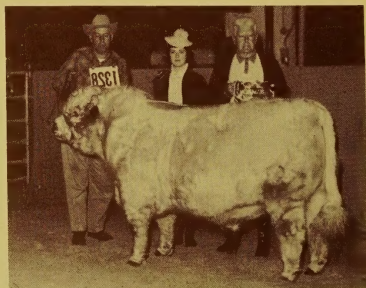

Lone Star Scepter 5th, one of the first sons of the \$20,000 All-American Ashbourne Scepter, was grand champion bull at Houston for the R. E. Smith Ranches. He sells as Lot 2.

Lone Star-Browns Win

The test of any breeding program comes in its comparison to other herds of the nation in the showring. At the recent big Houston show the Browns of Kentucky and Lone Star dominated the awards with their bulls and females by Ashbourne Scepter, Bapton Daily Express and Louada Regalia.

Ashbourne Hercules, a full brother to the world famous Ashbourne Scepter, was reserve senior champion bull at Houston for the Browns of Kentucky.

Senior champion bull at Houston was Lone Star Silver Spur by Perth champion Bapton Daily Express whose get and service are a sale feature.

The senior get-of-sire by Ashbourne Scepter was first at the big Houston show. They all sell in the Lone Star-Browns of Kentucky Shorthorn sale on May 14.

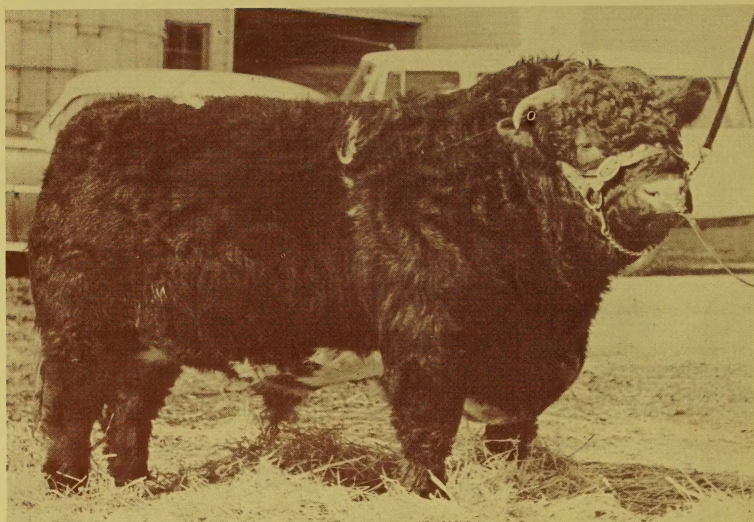

Houston Championships

Every great breeding animal must inherit the right to be one. The successful combination of blood and genes . . . the tools with which each breeder works for improvement . . . is proved by the success of these herds. No sale, anywhere, presents a wider scope of the most potent of this successful blood.

Lone Star Kora 54th was reserve grand champion at Houston. This daughter of Bapton Daily Express is from the same family as Lot 14.

show. He sells as Lot 2.**

ASHBOURNE SCEPTER

Here is a stock bull that must rank with the best of any breed in the world. A son of the \$20,000 Louada Regalia, he brings a valued cross of the great Bapton Constructor breeding to the Ashbourne and Lone Star herds where he is used jointly. His dam, Bapton Alice Actress, comes from one of the world's foremost female families. She was a valued member of the Browns 1957 importation. One of her daughters sold in the 1961 Browns sale for \$3,850 to Fralawn Farms, Owen Sound, Ont. The Lone Star herd sire and Perth supreme champion Bapton Daily Express is also from the Bapton Actress family. His dam is a three-fourths sister to the dam of Ashbourne Scepter. A one-half interest in Ashbourne Scepter was sold to The Lone Star herd in 1963 for \$10,000. His calves there and at Ashbourne prove him to be a prepotent young sire.

This year the first of his calves were shown by Lone Star and included the grand champion bull of the Houston Livestock show, the first-prize senior get and the first-prize junior get. Twelve of his first sons and daughters sell in the Ashbourne and Lone Star drafts. His service is a sale feature.

**Ashbourne Pauline 65th is among the
first daughters of Ashbourne Scepter
to sell anywhere. She is Lot 36.**

His Sire

Bapton Cairnbrogie was top-selling bull at Perth in 1958 and is a full brother to the immortal Bapton Constructor.

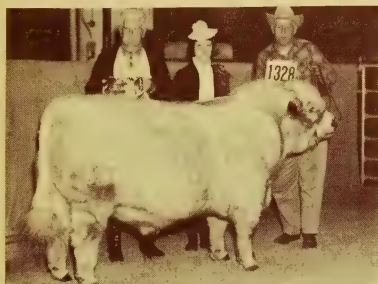

His Dam

Bapton Margaret Actress is the outstanding dam of Bapton Daily Express and a three-fourths sister to the dam of Ashbourne Scepter.

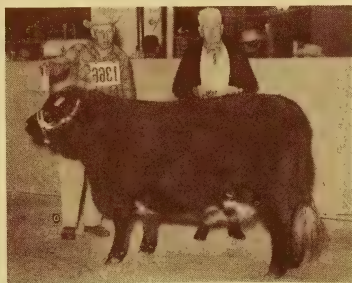

BAPTON DAILY EXPRESS

Bapton Daily Express was supreme champion at Perth in 1959. He is a son of Bapton Cairnbrogie. Cairnbrogie was a full brother to the immortal Bapton Constructor and was top-selling bull at Perth in 1958. The dam of Bapton Daily Express is a daughter of Kirkton Hercules. She was one of the great show females of her day in Scotland. Sons and daughters of Bapton Daily Express have been prominent showing winners and All-Americans and are a feature of this sale. Many of the Lone Star sale females carry his valuable service.

A Great Son

Lone Star Silver Spur is destined to follow his illustrious sire in the Lone Star herd. Recently he was senior champion at Houston.

An Outstanding Daughter

Reserve grand champion at Houston was the beautiful Lone Star Kora 54th, one of the many powerful daughters of Bapton Daily Express.

LOUADA REGALIA:

*Sire of
Champions*

Louada Regalia has sired many show winners including this first-prize junior get-of-sire at the American Royal that won the KC Challenge Trophy.

LOUADA REGALIA

From the time Louada Regalia was born, it was evident he would be one of the most important stock bulls in the history of the breed. Today his sons and daughters have compiled an enviable show record throughout the continent. Regalia is by the world-famous Bapton Constructor and out of Louada Rothes Fragrance by Calrossie Armada. As a senior calf at the 1958 International he was second in class to his half brother that was named International grand champion. Regalia himself was International reserve junior champion. In 1960 the Browns of Kentucky paid \$10,000 for a one-half interest and possession in this great sire. Five sons and seven daughters sell in this sale.

BF Regalia's Prince is a typical son of Louada Regalia at Brown-Forman. He sells as Lot 12.

Ashbourne Princess Mary was top female of 1964 when she sold at \$3,800 to Royalty Farms. She is by Louada Regalia.

Lone Star Kora 252 is a daughter of this powerful imported stock bull. From the most successful family at Lone Star, she sells as Lot 14.

Lone Star Cyclone 10th is a typical son of the big, powerful Beaufort Cyclotron. He was grand champion at the 1964 Pan-American Exhibition.

BEAUFORT CYCLOTRON

Beaufort Cyclotron was purchased at Perth in 1959 by R. E. Smith and imported to the United States to supplement the strong Lone Star stock bull battery. His sire, Beaufort Commodore, is recognized as one of the best sons that Beaufort Bulldozer left in Scotland before being imported to Edellyn Farms. Beaufort Cyclotron was used in Lord Lovat's Beaufort herd before being consigned to Perth. Cyclotron is a good-headed bull of great size. He has excellent conformation and heavy bone. His weight in pasture condition exceeds 2,000 pounds. A number of daughters are featured in the Lone Star consignment. This is the first time they have ever parted with them in quantity since they make ideal brood cows.

CMK Landholder is one of the first sons of Beaufort Landholder and sells as Lot 7. Note his great character and size combined with a beautiful Scottish pedigree.

Brown Forman Rosebud 3rd is a feature of the Brown-Forman draft to this sale. Selling as Lot 46, she is a daughter of Beaufort Landholder.

BEAUFORT LANDHOLDER

Among the greatest stock bulls ever used by the Browns of Kentucky must rank the powerful Beaufort Landholder. This great young sire is an imported son of Beaufort Cravate. Cravate was supreme champion of the strong Northern Counties show in Scotland. The granddam of Beaufort Landholder, Beaufort Flora Broadhooks 3rd, was female champion of the Northern Counties show. Her sire, the famous Beaufort Bulldozer, sired both International grand champions in 1954 and made history in the great Edellyn herd. A high infusion of Cruggleton breeding in both lines of the pedigree give him a strong concentration of the potent A. J. Marshall breeding. Many veteran cattlemen feel that Beaufort Landholder is one of the best bulls ever to be imported. Three sons and five daughters sell.

LOUADA REQUEST—Newest stock bull in the Browns of Kentucky herds. He was selected particularly for his great thickness, substance and character. His sire, Glamis Benefactor, needs no introduction. He is the only bull to win all seven major shows in Britain in one year and the only bull to be supreme champion at Perth and the Royal Highland in the same year. A one-third interest in him sold at the world record price of \$20,000. The granddam of Louada Request is out of the same cow as the dam of Louada Rothes King, stock bull at Louada Manor Farms. This is also the same female family that produced the 1965 \$30,000 Perth supreme champion bull. The maternal grandsire is Bapton Brave Robin that was the best bull of his year at Perth. His paternal grandsire is Calrossie Diadem, the great stock bull that sired four consecutive Perth supreme champion and/or top-selling bulls. He also sired the top-selling Shorthorn bull at auction in North America in 1964 at \$10,100 for a two-thirds interest and five All-American nominees in 1965.

LONE STAR ROBIN 141 — A son of Calrossie Cock Robin, he is carrying on the great improving tradition of his great sire in the Lone Star herd. Grand champion at Houston in 1962, he was a prominent show winner in the Southwest for two years. Out of Kair Butterfly Janice by Calrossie Crocus Count, he is backed by the most prepotent blood of the breed. A son is a feature attraction as Lot 1 and three lovely daughters sell in the Lone Star consignment.

CALROSSIE COCK ROBIN — The foundation sire of the Lone Star herd. He is by the famous Kirkton Baronet, recognized as one of the great sires in modern Shorthorn history. Cock Robin was one of the most outstanding sires ever to leave Scotland for North America. He was imported to Canada by Grant Campbell and purchased by R. E. Smith in 1956 along with the entire Camson herd consisting of the daughters of Cock Robin and 54 imported cows. Twenty additional imported heifers were purchased in 1956 and added to the Lone Star herd. The daughters of Calrossie Cock Robin are wonderful brood cows. Many of them are the dams and granddams of cattle in this sale.

CAPTIVATOR OF BAPTON x — He is the first AAA Polled Shorthorn bull in the United States and one of three ever to be imported to this country from Scotland. In Canada his sire is one of the few AAA Polled Shorthorn bulls. Owned jointly by Ashbourne and Sutherland Farms, Prospect, Ky., his first calves shown this year have been exceptional and include an International first-prize winning bull and three All-American sons. The sires in his pedigree are well-known, but the following information about the dams will be interesting. Lavender Coronita 17th x was Gordon Blackstock's favorite cow and was shown widely as was her daughter. Victoria Coronita 8th x was second senior yearling at the 1957 International. Her daughter, Victoria Coronita of Bapton x, was never defeated in Scotland, either in horned or polled competition. Victoria May of Bapton x is her beautiful Bapton Constructor polled daughter.

WESTDRUMS RICOCHET — He is a junior herd sire at Lone Star. This growthy, heavy-boned son of Bapton Roan Robin is out of a daughter of Uppermill Leopold. He combines two of the top-producing bloodlines of Scotland. Ricochet was grand champion bull of the 1963 Houston Livestock Exposition. The outstanding calves in the Lone Star herd establish Westdrums Ricochet as a top sire.

WESTDRUMS PRINCE IAN — Westdrums Prince Ian was senior stock bull in the highly regarded Uppermill herd of Aberdeenshire, Scotland, until purchased by R. E. Smith in 1959 and imported to the United States to serve in the strong herd bull battery at Lone Star. His service as an outcross has accomplished very satisfactory results. His daughters are consistently producing outstanding calves sired by other bulls in the Lone Star battery. Ian is a massive bull endowed with exceptionally heavy bone and excellent conformation. His weight in pasture flesh exceeds 2,000 pounds.

LONE STAR KORA 252—An outstanding female with an exceptionally beautiful head. She is the daughter of the 2,000 pound imported Beaufort Cyclotron and her dam is an own daughter of Calrossie Cock Robin. All of the Kora females in the Lone Star herd are good producers and we are confident that this good female will be an excellent brood cow. Due to calve Nov. 9, 1966, to Perth champion Bapton Daily Express.

BAPTON DAILY EXPRESS
1959 Perth Supreme Champion.
Senior stock bull at Lone Star.

Here's the End Result

The final goal of any breeding program must be the improvement of the nation's commercial beef cattle herd. This aim is uppermost at Lone Star and the Browns of Kentucky where large commercial operations play a vital role in the enterprizes.

ASHBOURNE SCEPTER
1962 All-American Senior
Bull Calf by Louada Regalia.
Owned jointly by Browns of
Kentucky and Lone Star.

Shorthorn (or Durham) They're Great Improvers

No herds in the country have the commercial cattle market more closely in mind than do those of the Browns of Kentucky and Lone Star. Each herd was founded to supplement vast commercial breeding herds and feeding operations. These folks know the kind of cattle it takes to meet modern demand. They must be big, good-footed, thick and have the rapid finishing and high feed conversion qualities so vital in a successful feeding operation.

Visit all three herds and you will see how successfully Shorthorn bulls have worked in the cross-breeding programs. Whether on native cattle in Texas, miscellaneous dairy crosses or English breeds, Shorthorn bulls have

proved their ability to increase the weaning weights and efficiency of the cross-bred calves.

The registered cattle in each herd are bred to meet these same exacting requirements. The foundations for both herds have been selected with extreme care from the very best available in Scotland, Canada and the United States. The prepotence of this blood gives added assurance that these cattle will breed on for their new owners. Call them Shorthorn or Durham (as many still do in Texas), they're the world's great improvers.

For the first time this famous sale will be held at R. E. Smith's Lone Star ranch near Houston. To make it a memorable one, he has se-

lected only the very best from his show herd and replacement females together with a select draft of Texas-type bulls — big, rugged and thick. Add to these the beautiful array from the Browns of Kentucky and you have a premier sale offering.

Any cattleman who truly appreciates a vast ranching operation where Shorthorns play the dominant role in the feeding and cross-breeding programs should plan now to attend. Come early the day before the sale. There is much to see. Then join your friends from throughout the continent for a Texas-style barbecue at the ranch.

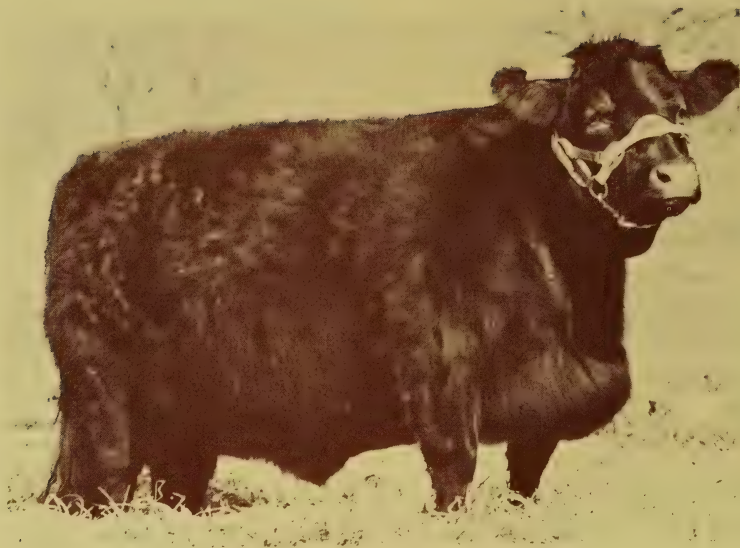

HARRIS SIMONS,
The Shorthorn World

LONE STAR BRIDESMAID 3rd—Out of the show string, she is a growthy, well-balanced heifer with excellent conformation and a beautiful head. Sired by Ashbourne Scepter and out of one of our best imported cows. She is an own daughter of Uppermill Leopold whose bull calves have sold for the highest average at Perth for several consecutive years. There are not many daughters of Leopold in the United States and we consider ourselves fortunate to own one of these good producers. This beautiful roan heifer would be an asset to any pedigreed herd and her producing possibilities are unlimited. She sells open with breeding privilege to any bull in the Lone Star battery.

Baldowrie Madge Ramsden
Dk. Roan, G. G. Rutherford

L. S. RAMSDEN DELIGHT—This good-headed, well-balanced, solid red heifer has plenty of size for her age and will develop into a big cow. She is a half sister to Lone Star Robinhood 2nd selling and is out of an own daughter of Perth champion Calrossie Fortitude. An outstanding female with an excellent pedigree. Sixteen months old, she sells open with breeding privilege offered.

LONE STAR WILD ROSE—A good-headed, short-legged, daughter of the imported Westdrums Prince Ian and out of an outstanding daughter of Calrossie Cock Robin. Ian was purchased direct from service in the famous Uppermill herd at Aberdeenshire, Scotland. James Durno, the owner, recently stated that he sold Ian too soon because his daughters rank among the best-producing cows in Scotland and he wishes that he had more of them. Bred to Bapton Daily Express. Due to calve Sept. 5, 1966.

ASHBOURNE AUGUSTA 36th—A strictly choice heifer with a strictly imported pedigree, she surely will be an attraction. Her dam in a AA cow that was imported in dam from Scotland's venerable Cluny herd. She is a consistent producer of good ones and one of the best milking females in the herd. From her powerful dam, she acquires her great size and excellent balance together with the depth and length vital in a top brood matron. Beaufort Landholder needs no introduction nor do the Perth champions Bapton Engineer and Bapton Aurora.

The following consignment of females from Brown-Forman Experimental Farm represents, without a doubt, the strongest draft ever to leave the herd. They are rich in imported blood and include daughters of the most powerful brood cows in the herd.

Oakfield Pauline 56th
Dk. Roan, Edmund J. Murphy

BROWN-FORMAN PAULINE 5th—Another good daughter of Beaufort Landholder that we should be keeping but in order to put together one of our best offerings she must sell. She is out of the world famous Cluny Pauline family and her dam is by the great bull, Louada Factor. We would like to reserve show rights on this heifer if the buyer is willing.

Join your hosts from Lone Star and the Browns of Kentucky at 6:30 p.m. on May 13 at the entertainment center near Short-horn headquarters at Lone Star for buffet dinner.

BROWN-FORMAN BLOOD ROYAL—Sired by a top son of Louada Regalia, B F Regalia's Royalist, that was champion at the 1964 Tennessee National Sale. Her dam, Louada Blood Royal 91st, was one of the top-selling heifers at Louada. The Blood Royal line, as everyone knows, is Louada's most valuable.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
